### What are the Aims of the SIG?

This Special Interest Group exists for members to share their CBUS knowledge and experience to assist each other on their journey. The intent is to ease the journey for those of us in Australia and New Zealand otherwise hampered by a low density of users and a timezone difference of nearly 12 hours to the UK. The focus is the usage of CBUS, either independently or using other software such as JMRI.

## How do you meet?

Meetings will be held over Zoom on the 2nd and 4th Sunday of the month at 12:15 AEST. Meetings will be open from 12:00 to allow people time to get online and have a chat. To demonstrate the span of timezones in choosing the timing of the meeting 12:00 AEST is 14:00 NZST and 10:00 AWST. Expected duration is 2-2.5 hours.
