## Area Group Meetings

In Normal times, the WNO area group meet six times each year for a full day, generally on a Saturday, at the club rooms of the Leamington and Warwick Model Railway Society [www.lwmrs.co.uk](http://www.lwmrs.co.uk). where MERG members are able to see the Society's three Exhibition Layouts that have MERG CBUS and MERG DCC installed.

Meetings generally comprise:

- A presentation on a subject previously requested by the members.
- Open workshops / discussions.
- Assistance for individuals and groups of members.

## Area Group Workshops

*Workshops are always held in the afternoon of bi-monthly meetings to assist the following:*

- Members bringing their own kits to assemble with help from others in the group where required
- Members bringing their built kit where they need assistance to get it working or need to share test equipment
- Members interconnecting working kits to learn how kits can work together to improve the operation of their model railway.

*Additionally, specialist workshops are run on an occasional basis. Most recent subjects have been:*

- Introduction to Arduino
- Building a CANMIO Kit.
- Configuring CBUS using FCU.
